## CORPORATE GOVERNANCE REPORT

Corporate governance is about promoting fairness, transparency, accountability, commitment to values, ethical business conduct and about considering all stakeholders' interests while conducting business. It is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), and amendments thereto. It contains the Corporate Governance policies and practices of Western India Commercial Co. Ltd.

### 1. Philosophy On Corporate Governance

Corporate Governance is a reflection of principles entrenched in our values and policies and also embedded in our day-to-day business practices, leading to value driven growth. It encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense. Our Corporate Governance philosophy is aimed at creating and nurturing a valuable bond with stakeholders to maximize stakeholders' value. Good governance practices stem from the dynamic culture and positive mindset of the organisation. We are committed to meet the aspirations of all our stakeholders. The Company is fully committed to the principles of transparency, integrity and accountability in all spheres of its operations and has been practicing the principles of good corporate governance over the years. In keeping with this commitment, the Company has been upholding fair and ethical business and corporate practices and transparency in its dealings and continuously endeavors to review, strengthen and upgrade its systems and procedures so as to bring in transparency and efficiency in its business.

We believe, Corporate Governance is not just a destination, but a journey to constantly improve sustainable value creation. It is an upward-moving target that we collectively strive to achieve. Our multiple initiatives towards maintaining the highest standards of governance are detailed in this Report.

### 2. Board of Directors

Keeping with the commitment to the principles of integrity and transparency in business operations for good corporate governance, the Company's policy is to have an appropriate blend of independent and non-independent directors to maintain the independence of the Board and to separate the Board functions of governance and management. We believe that an enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. The Board's actions and decisions are aligned with the Company's best interests. The Board is entrusted with the ultimate responsibility of the management, direction and performance of the Company. The Board is committed to the goal of sustainably elevating the Company's value creation. As its primary role is fiduciary in nature, the Board provides leadership, strategic guidance, objective and independent view to the Company's management while discharging its responsibilities, thus ensuring that the management adheres to ethics, transparency and disclosures.

## **Auditors' Certificate on Corporate Governance**

To

The Members of **Western India Commercial Company Limited**

We, D.K. Chhajer & Co., Chartered Accountants, the Statutory Auditors of Western India Commercial Company Limited ("the Company") have examined the compliance of conditions of Corporate Governance by the Company, for the year ended 31<sup>st</sup> March, 2021, as stipulated in Regulations 17 to 27 and clauses (a) to (q) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (collectively referred to as "SEBI Listing Regulations").

### **Managements' Responsibility**

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the condition of the Corporate Governance stipulated in the SEBI Listing Regulations.

### **Auditor's Responsibility**

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of accounts and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the ICAI), the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Information, and Other Assurance and Related Services Engagements.

### **Opinion**

Based on our examination of the relevant records and according to the information and explanations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (a) to (q) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the SEBI Listing Regulations during the year ended 31<sup>st</sup> March, 2021.

We state that the compliance certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## MANAGEMENT DISCUSSION & ANALYSIS REPORT

The outlook presented herein is based on management's own assessment and it may vary due to future economic and other developments in the country and abroad.

### OVERVIEW

Given the impact of the pandemic, FY2021 was expected to be an extremely challenging year. The degrowth in GDP was much larger than expected. April-June 2020, real GDP contracted by a massive 24.4%. In the second quarter, July-September 2020, GDP again contracted by 7.3%. Thankfully, we began to witness early signs on resumption of economic activity in the second half of the year with several high frequency indicators suggesting that the economy was back to positive growth. The third quarter (October-December 2020) saw a small positive growth of 0.4% compared to the same period in the previous year. The economy saw a 'V' shaped bounce-back in the second half of the year. The most recent IMF forecast estimates India's GDP growth for FY2022 to be around 9% to 9.5%. If that were to occur, it will be a significant growth turnaround among all the major economies of the world, including China.

The only grey cloud is the surge in infections that started with the second wave beginning in early March 2021. Hopefully, a serious increase in the pace of vaccinations across the country should bring this surge significantly down; and if we keep all enterprises and workers open for business, it should not affect the economy in any significant manner, except for a severe third wave of pandemic which hopefully should not be so severe as the second wave.

### THE COVID-19 PANDEMIC

The COVID-19 pandemic is a once in a lifetime occurrence that has brought with it unimaginable sufferings to the people and to almost all sections of the economy. When the pandemic struck and led to nationwide lockdowns to curtail the transmission of disease, it was natural to fear that the global economy would stay in extreme stress of the kind not seen since the Great Depression and would have a long-lasting economic impact.

To counter the crippling impact of the lockdowns on economies, the world's policymakers have resorted to fiscal and monetary measures never seen before in global economic history. It remains to be seen if these relief measures sufficed, and whether actions taken by Governments across the globe adequately compensated for the disruptions created in the lives of people.

Multiple vaccines were found with impressive efficacy levels in less than a year — which will probably rank as among one of the most incredible achievements in science. The announcement of successful development of vaccines seemed to lift spirits around the world. Unfortunately, the advent of winter saw several countries battle second waves of COVID-19 infections, including more virulent strains leading to partial lockdowns. The race between vaccines and variants is heating up as massive vaccination drives are underway. Much depends on blocking transmission and not just the disease.

Fortunately for India, which is home to some of the largest vaccine makers in the world, the supply constraints should be limited and temporary. Moreover, our experience in implementing large scale vaccination programmes should help in vaccinating our vulnerable population. Even so, with many states in India witnessing a serious second surge of COVID-19, vaccinating the vast population is a challenge.

After an estimated historic correction of (3.3%) in 2020, the International Monetary Fund (IMF) has projected the global economy to grow 6% in calendar year 2021 and 4.4% in 2022 on the back of the fiscal and monetary support provided by Governments of the world over coupled with widespread vaccination.

## **NBFC INDUSTRY & BUSINESS UPDATE**

India's financial sector is a highly diversified one comprising commercial banks, insurance companies, non-banking financial companies, co-operatives, pension funds, mutual funds and other smaller financial entities. The sector is predominantly driven by banking and non-banking financial companies ('NBFCs'). Over the past few years NBFCs have emerged as important financial intermediaries, particularly for the small-scale and retail sectors in underserved areas and unbanked sectors. The sector turned out to be growth engine in an environment where significant importance is assigned to financial inclusion and have aided the economy in employment generation and wealth creation by making credit available to the rural segment. However, in recent times the sector is becoming a weaker segment in Indian financial system.

### **COMPANY'S POSITION**

The Company is registered with the RBI as a Non-Banking Financial Institution and is categorized as Non-Deposit taking NBFC" (NBFC-ND). The operation of the company during the year was centered in investments in shares and securities. Additionally the company was investing in Mutual Funds too. The main income of the Company is dividend income on long-term investments, interest on fixed deposit and profit from sale of investments. The results of the Company's operations for the financial year ended 31<sup>st</sup> March, 2021 have been dealt with in the Director's Report.

The Company, being into finance and investment activity, the impact of movement of stock markets affects its profitability. The Company has long-term orientation in its investments and mainly invests in listed equities. The objective of investments portfolio is to balance risk with adequate return.

### **OUTLOOK**

A significant portion of the Company's income arises from investment and share trading operation, which are largely dependent on the condition of the stock market. The stock market activity depends largely upon the economic growth momentum and a combination of other factors like inflation, domestic savings, surging portfolio investments into India etc. The unusual developments in the global economy may pose uncertainties and challenges for the emerging market economies like India. However, the Company has investment policy wherein it invests in those securities which have easy liquidity, better yield and potential for price appreciation in medium to long run.

### **INTERNAL CONTROL SYSTEM**

The Company has implemented a system of internal controls and risk management for achieving operational efficiency, optimal utilization of resources, credible financial reporting and compliance with local laws.

The system is aimed at covering all areas of operations. The transactions entered into by the Company are duly authorized and recorded correctly. It has implemented suitable controls to ensure that financial transactions are reported with accuracy and that there is strict compliance with applicable laws and regulations. These controls are regularly reviewed internally for effectiveness.

## CAUTIONARY STATEMENT

Certain statements under "Management Discussion & Analysis" describing the Company's objectives, estimates, expectations or predictions may be forward looking statements within the meaning of applicable securities laws and regulations. Although the expectations are based on reasonable assumptions, the actual results could materially differ from those expressed or implied, since the Company's operations are influenced by many external factors beyond the control of the Company. Investors are cautioned that the Company assumes no responsibility to publicly amend, modify, revise or update any forward looking statement or opinion, on the basis of any subsequent developments, events or information.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of Western India Commercial Co. Ltd**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Western India Commercial Co. Limited (the "Company"), which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act

## **INDEPENDENT AUDITORS' REPORT**

To the Members of Western India Commercial Co. Ltd.

Report on the Financial Statements for the year ended 31<sup>st</sup> March, 2021

with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

## INDEPENDENT AUDITORS' REPORT

To the Members of Western India Commercial Co. Ltd.

Report on the Financial Statements for the year ended 31<sup>st</sup> March, 2021

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence,

To the Members of Western India Commercial Co. Ltd.

and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter**

Due to COVID 19 pandemic and the consequential nationwide lockdown announced by the Central and State Government including the travel restrictions, maintenance of social distancing etc., and the audit team could not visit the Company. We have performed the audit from remote location, on the basis of data, scan copies, documents, management estimates, assumptions, certificates and other information supplied electronically by the management on online platform. We have relied on Management assurance of the authenticity, completeness and accuracy of these records electronically submitted to us.

Our opinion is not modified in respect of this matter.

### **Report on Other Legal and Regulatory Requirements**

1. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) Without prejudice to the situation described under "Other matter" section, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of Western India Commercial Co. Limited ("the Company") as at 31<sup>st</sup> March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("The Act").

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, read with impact of Covid- 19 stated in Emphasis of Matter paragraph in Independent Auditor's Report, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## 1. Corporate Information

Western India Commercial Company Limited ("the Company") is a public company limited by shares, incorporated on 13<sup>th</sup> August 1928 and domiciled in India. Its shares are listed on the Calcutta Stock Exchange (CSE). The Company is carrying on business as a "Non-Banking Financial Company" (NBFC). The Company is engaged mainly in investment in shares in securities & financial activity. The Company is registered with Reserve Bank of India as NBFC. The Company's registered office is 21, Strand Road Kolkata – 700 001.

## 2. Basis of Preparation of Financial Statements

### a. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other provisions of the Companies Act, 2013 ("the Act").

For all periods up to and including the year ended 31st March, 2019, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or previous GAAP). The financial statements for the year ended 31st March, 2021 are prepared in accordance with Ind AS. The date of transition to Ind AS is 1st April, 2019.

### b. Basis of Measurement

The financial statements have been prepared on historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities that are measured at fair value/ amortised cost. (Refer note 3.3 below). The financial statements are presented in Indian Rupees (INR) which is also its functional currency.

## 3. SIGNIFICANT ACCOUNTING POLICIES

### 3.1. Recognition of interest income

Interest income for all financial instruments measured at fair value through profit or loss (FVTPL) is recognised using the contractual interest rate.

### 3.2. Recognition of Dividend Income

Dividend income (including from Investments measured at FVTOCI) is recognised when the Company's right to receive the payment is established. This is established when it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably.

### 3.3 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### (i) Financial Assets -

##### ➤ Recognition And Initial Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

➤ *Classification and Subsequent Measurement*

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt Instruments at Amortized Cost;
- Debt Instruments at Fair Value Through Other Comprehensive Income (FVOCI);
- Debt Instruments at Fair Value Through Profit or Loss (FVTPL); and
- Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- *Debt Instruments at Amortized Cost:* A debt instrument is measured at the amortized cost if both the following conditions are met:
  - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
  - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- *Debt Instruments at FVOCI:* A debt instrument is measured at the FVOCI if both of the following conditions are met:
  - The objective of the business model is achieved by collecting contractual cash flows and selling the financial assets; and
  - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in Other Comprehensive Income. However, the interest income, losses & reversals, and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Interest calculated using the EIR (Effective Rate Interest) method is recognized in the Statement of Profit and Loss as investment income.

- *Measured at FVTPL:* FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as amortized cost or as FVOCI, is classified as FVTPL. In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVOCI criteria, as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

*Equity Instruments measured at FVOCI:* All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in Other Comprehensive Income subsequent changes in the fair value. The Company makes such election on an instrument-by instrument basis. The classification is made on initial recognition and is

irrevocable. In case the Company decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument are recognized in the Other Comprehensive Income. There is no reclassification of the amounts from Other Comprehensive Income to profit or loss, even on sale of investment. Dividends on investments are credited to profit or loss.

- *Equity Investments:* Investments in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment, if any.

➤ *Derecognition*

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

➤ *Impairment of Financial Assets*

The Company assesses at the end of the reporting period whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

**(ii) Financial Liabilities**

➤ *Recognition And Initial Measurement*

Financial liabilities are initially measured at fair value. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and borrowings including bank overdrafts and derivative financial instruments.

➤ *Subsequent Measurement*

Financial liabilities are measured subsequently at amortized cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR (Effective Rate Interest) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR (Effective Rate Interest) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

➤ *Derecognition*

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

➤ *Offsetting Financial Instruments*

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

**3.4. Cash and cash equivalents**

Cash and cash equivalent comprise cash at banks and on hand, term deposits with original maturity of less than three months from the date of acquisition. Term deposits held with bank, with original maturity of more than three months but less than twelve months is a part of bank balance other than cash and cash equivalents.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

**3.5. Property, plant and equipment (PPE)**

PPE are stated at cost (including incidental expenses directly attributable to bringing the asset to its working condition for its intended use) less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure related to PPE is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Advances paid towards the acquisition of PPE, outstanding at each reporting date are shown under other non-financial assets. The cost of property, plant and equipment not ready for its intended use at each reporting date are disclosed as capital work-in-progress.

Subsequent expenditure related to the asset are added to its carrying amount or recognised as a separate asset only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised.

### **3.6. Depreciation**

Depreciation on Property, Plant and Equipment is provided on written down value method (WDV) to write down their residual values over their estimated useful life specified in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Changes in the expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

### **3.7. Impairment of non-financial assets**

The Company assesses at each reporting date to determine if there is any indication of impairment, based on internal/external factors. If any such indication exists, then an impairment review is undertaken and the recoverable amount is calculated as the higher of fair value less costs of disposal and the asset's value in use.

### **3.8. Employee Benefits Expenses**

#### **3.8.1. Short Term Employee Benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences, which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

#### **3.8.2. Defined contribution schemes**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified monthly contributions to Provident Fund. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

### **3.9. Taxes**

Income tax expense represents the sum of current tax and deferred tax.

#### **3.9.1 Current Tax**

The current tax is based on taxable profit for the year under the Income Tax Act, 1961. Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

#### **3.9.2 Deferred tax**

Deferred tax is recognized on all temporary differences between the tax bases of assets and liabilities and their carrying amounts in the Company's financial statements except when the deferred tax arises from the initial recognition of goodwill or initial recognition of an asset or liability

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

in a transaction that is not a business combination and affects neither the accounting nor taxable profits or loss at the time of transaction. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and unused tax losses to the extent it is probable that future taxable profits will be available against which the deductible temporary difference, the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets (including MAT credit available) is reviewed at each reporting date and is adjusted to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Current and deferred tax are recognised in the Statement of Profit and Loss, except when the same relate to items that are recognised in Other Comprehensive Income or directly in Equity, in which case, the current and deferred tax relating to such items are also recognised in Other Comprehensive Income or directly in Equity respectively.

### **3.10. Provisions, Contingent Liabilities and assets**

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

### **3.11. Earnings per Share**

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

### **3.12. Cash-flow statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

### **3.13 USE OF ESTIMATES, JUDGEMENTS AND ADJUSTMENT**

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, and disclosures of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed in the paragraphs that follow.

#### *(i) Useful Economic Lives and Impairment of Other Assets*

The estimated useful life of property, plant and equipment (PPE) is based on a number of factors including the effects of obsolescence, usage of the asset and other economic factors (such as known technological advances).

The Company reviews the useful life of PPE at the end of each reporting date and any changes could affect the depreciation rates prospectively.

The Company also reviews its property, plant and equipment for possible impairment if there are events or changes in circumstances that indicate that the carrying value of the assets may not be recoverable. In assessing the property, plant and equipment for impairment, factors leading to significant reduction in profits, such as the Company's business plans and changes in regulatory environment are taken into consideration.

#### *(ii) Contingencies and Commitments*

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such liabilities are disclosed in the notes but are not provided for in the financial statements.

Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position or profitability.

*(iii) Fair Value Measurements and Valuation Processes*

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in the notes to the financial statements.

*(iv) Recognition of Deferred Tax Assets For Carried Forward Tax Losses and Unused Tax Credit*

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition significant judgement is required in assessing the impact of any legal or economic limits.

**Notes to Financial Statement for the Year Ended 31st MARCH,2021**

**NOTE 28:-CAPITAL MANAGEMENT**

The primary objective of the Company's capital management policy is to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value

**NOTE 29:-RISK MANAGEMENT**

The Company has a system-based approach to risk management, anchored to policies & procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its business operations as well as its investing and financing activities.

Accordingly, the Company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a disciplined and consistent manner and in compliance with applicable regulations. It also seeks to drive accountability in this regard.

The Company's financial liabilities includes Other Financial Liabilities- comprising of general expenses. The Company's principal financial assets include Investments, Cash and Cash Equivalents and Other Financial Assets that are derived directly from its operations.

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the underlying business, the Company maintains sufficient cash and liquid investments available to meet its obligation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. The management also considers the cash flow projections and level of liquid assets necessary to meet these on a regular basis.

<b>Risk</b>	<b>Exposure arising from</b>	<b>Mitigation</b>
<i>Market Risk – Securities Price</i>	Investments in equity securities	Continuous monitoring of performance of investments.
<i>Credit Risk</i>	Failure of either counterparty to abide by the terms of any financial contract.	Rigorous loan approval along with strong NPA monitoring and collection strategy.

**(i) Fair Value Hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standards.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**(ii) Valuation Methodology**

Specific valuation techniques used to value financial instruments include:

- the fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV.
- the fair value of level 3 instruments is valued using inputs based on information about market participants assumptions and other data that are available.

**(iii) Fair value of Financial Assets and Liabilities measured at Fair value - recurring Fair Value Measurements**

Particulars	As at 31st March,2021		As at 31st March, 2020	
	Level 1	Level 3	Level 1	Level 3
<i>Financial Assets</i>				
Investment in Equity Instruments	60,614.52	549.508	36,408.30	529.61

**(iv) Significant Estimates**

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period. For details of the key assumptions used and the impact of changes to these assumptions see (ii) above.

**NOTE 31:-**

Due to outbreak of COVID 19 globally and in India, the Company's management has made initial assessment of likely adverse impact on business and financial risks, and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the Company's ability to continue as going concern and meeting its liabilities as and when they fall due.

Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.
